Dear Friends of Bethany Church:

Hope this letter finds everyone in good spirits and health. We are all living under unusual circumstances to say the least! I am sorry to inform you that, due to the gathering restrictions scheduled to last through June in Virginia, there will be no Bethany Homecoming this year. In my memory, this is the first time we've missed a homecoming!

In speaking with Sharon Pederson the other day, Robert Lee Marston is doing as well as can be expected. He has good days and bad days and says he does not recommend the 90's! We continue to pray for his good health.

The Association does have several projects taking place currently regarding the upkeep of the facility:

- a. Replacing the 35-40-year-old shingles on the church roof; a costly endeavor.
- b. Filling in the low spots from the ground sinking and spreading lime to help kill mold and fungus.
- c. Cleaning and painting the exterior restrooms and privacy lattices near the pavilion.

As always, we appreciate your continued support of the Memorial Association.

Warren Haupt, President
